Mr. Dillon S. Myer
Director
War Relocation Authority
Washington, D. C.

Dear Mr. Myer:

Your letter requesting information regarding Paul Haruo Kusuda, residing at 32-3-3, Manzanar, California, who has applied to leave a relocation center, has been received.

During the summer he assisted in the supervision of the high school tutoring program. At present he is working in the Adult Education Department as Supervisor of Planning and Program Department.

His education consists of two years general junior college education leading toward engineering.

Paul is a thoroughly Americanized nisei, alert and active in various phases of community and educational work. His loyalty is unquestioned and he will make easy adjustment wherever he relocates.

Sincerely yours,

Genevieve W. Carter
